MATTER NO.

179-001

February 23, 2018

VIA CM/ECF AND REGULAR MAIL

Hon. M. Hannah Lauck, Judge
United States District Court, EDVA
Federal Courthouse
701 East Broad Street
Richmond, Virginia 23219

RE: Steele v. Goodman et al.
Case 3:17-cv-601-MHL

Dear Judge Lauck:

I am in receipt of the letter from a “Mercia Francis”, which was filed by the Clerk on February 22, 2018 via CM/ECF. [*Document 31*].

Neither my clients nor I know any “Mercia Francis”, and I was unable to find any information about this person online.

The only thing about the letter that is noteworthy to me is that the author refers to defendant, Patricia A. Negron, as “Trish Negron”. This implies a familiarity with defendant Negron.

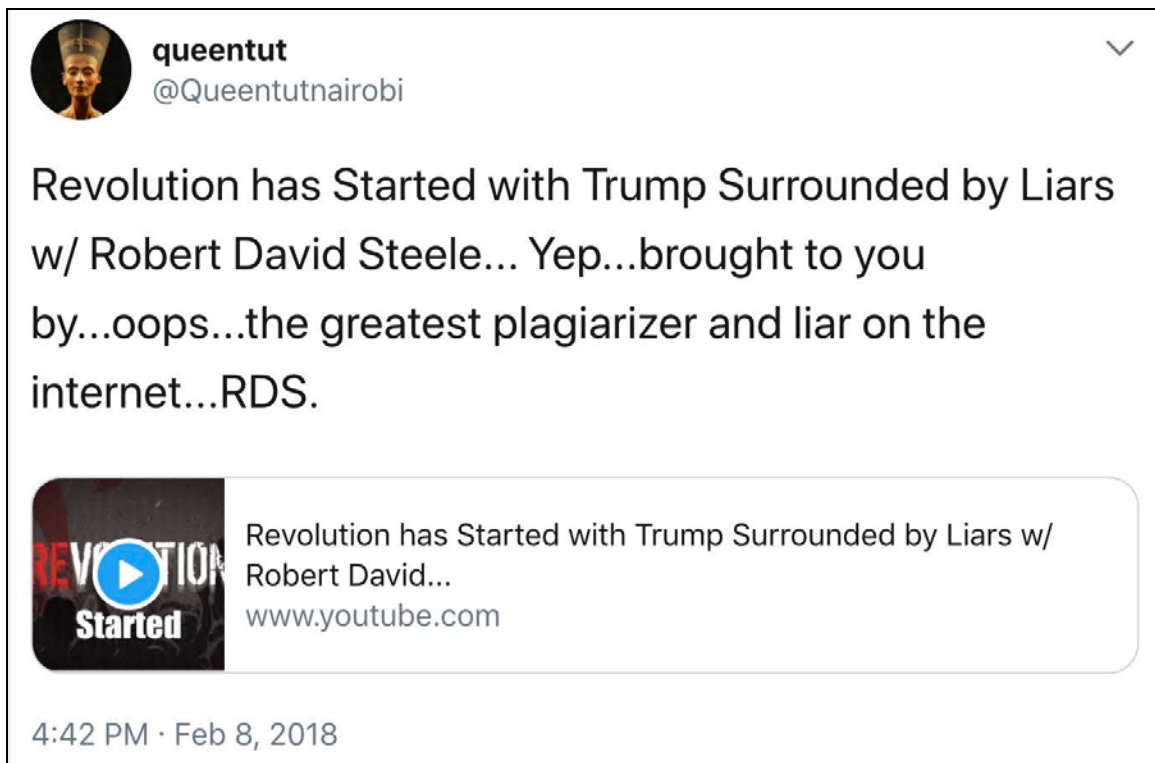

Defendant, Queen Tut a/k/a Susan A. Lutzke, does not suffer from dementia.

After Plaintiffs filed this action on September 1, 2017, the attacks by Lutzke and Goodman continued in a series of YouTube videos, which are identified in Plaintiffs’ Motion for Entry of Default Against Queen Tut. [*Document 30*].

In December 2017, Susan Lutzke ramped up her attacks on Robert David Steele. She set up a Twitter account under the name “Queen Tut”:

Between February 8, 2018 and February 22, 2018, the defendant has published the following tweets about Plaintiffs:

Susan Lutzke was properly served with process and she most certainly knows about this action.

She continues to publish false and defamatory statements about my clients, which feature photos of the three (3) defendants in this case.

I am bringing all this to your attention because Document 31 is most certainly not genuine.

Thank you.

Yours very truly,
